3M 9105

3M 9105 PARTICULATE RESPIRATOR N95
Model WEL3M9105

Product specifications

This economical disposable N95 particulate respirator has a unique folded design with V shaped pleats that flex with mouth movement for easier talking and expand for ease of breathing. Available in two sizes to fit a broad range of faces. This disposable N95 particulate respirator is designed to help provide quality, reliable worker respiratory protection for certain non oil based particles. It has a unique folded design with 3M proprietary filter media and V shaped pleats that expand to help make breathing easier. In addition, the V shaped pleats flex with mouth movement for easier talking. The respirator features uniquely designed tabs for positioning the respirator on the face and embossed front panel to help the respirator retain its shape. Economical N95 disposable particulate respirator Flat fold design allows for convenient storage prior to use. Adjustable noseclip helps provide a custom and secure seal Uniquely designed tabs for respirator positioning on the face Pleats flex with mouth movement while talking Spacious inside with comfortable inner layer
